### MedSailing 2021 Cancellation!!!

As at the entry deadline, there are less than 10 participants confirmed, unfortunately the Organizing Committee has been forced to make a decision on the celebration of the regatta, and has decided with the 29er Class approval, to **CANCEL THE MEDSAILING EUROCUP 2021.**

All entries confirmed will receive a reimbursement of the total entry fee. The Organization will contact them in the incoming days in order to proceed with this matter.

The Club Nàutic El Balís hope the situation of the pandemic permits to celebrate the MedSailing Eurocup 2022 next February with total normality. See you all soon !!!
