2018 ZHIK EUROPEAN CHAMPIONSHIP

The International 29er Class Association is pleased to announce that entry for the 2018 Zhik European Championship to be held 4-12th August in Helsinki, Finland is open. The regatta promises to be an exciting event with excellent conditions for racing and, for the first time ever, the Class will award a Male and Female Zhik European Championship title. More information about the championship can be found at www.29ereuropeans.org.

The Class is also pleased to announce that it has partnered with OurClubAdmin for a unified program of championship entry, regatta information and membership services and is confident that this new system will better serve our membership. As we transition to this new system, we ask our members to take the following actions:

Current members of the Class who wish to enter the Zhik European Championship should first verify their membership information by taking the following steps:

1. Go to Class website at www.29er.org and click on the Membership icon. This will take you to our membership system at OurClubAdmin.
2. Log into the OurClubAdmin system. Your **username** is the email address used for your existing membership and your **password** is the membership number issued when you created or renewed your existing membership. If you cannot recall your membership number or need assistance logging in, the Class office is happy to assist and may be reached at office@29er.org.
3. Please check all your personal information, including your date of birth, to verify that it is correct. Sailors under the age of 18 will be required to add guardian information. You can change your email address, username and/or password and can accept or decline consent forms at this time or at a later date.
4. Once membership is verified, you can register for the Zhik European Championship by clicking on the Events tab. There is also a link to OurClubAdmin on the regatta website, www.29ereuropeans.org, under the Registration tab. Please note that Class membership is required for both helm and crew in order to enter any international 29er regatta and you will be asked to provide the membership numbers of both sailors before you can complete entry.

New members to the Class should go to Class website at www.29er.org and click on the Membership icon. This will take you to our membership system at

OurClubAdmin where you can create an account and add your information. When your membership is complete you will receive a membership number and you can enter the Zhik European Championship by clicking on the Events tab.

It's all very simple, but if any issues arise, the Class is happy to assist and can be reached at office@29er.org.
