

For over a decade, Jerelyn Biehl and Sherri Campbell, of One Design Management, have provided management and financial services to the International 29er Class Association. Over these many years, they have tended to the class as it has grown from a small, fledgling international class to a robust global class that regularly boasts 200+ teams competing at our World Championship. The Class is deeply grateful to Jerelyn and Sherri for their years of work and devotion to 29er sailing and we are saddened to announce that they have decided to move on. Today, October 31, marks Jerelyn and Sherri's last day with the class and we wish them well in their next endeavors.

Effective November 1, Stephanie Banham will be the Class Executive Director. Steph can be reached at [office@29er.org](mailto:office@29er.org) and we hope you will join us in welcoming her to the International 29er Class.
